Please remember that this is not a complete list of medications covered under your plan. Because there are thousands of medications included in your pharmacy benefit, we only list the most common ones. Certain drugs such as those for smoking cessation or vitamins may not be covered by your particular pharmacy plan. Diabetic supplies may be covered under your medical plan. If you have any questions about your pharmacy benefit, please visit Aetna's secure website at www.aetna.com. If you don't have access to our website, call the Member Services number on your ID card.
