

# Aetna Specialty Pharmacy<sup>®</sup> medicine and support services

## Get the specialty medicine you need

**Get your specialty medicine sent right to your mailbox. Or anywhere you want. Plus, get extra support during your treatment.** You can get many commonly prescribed specialty medicines through a network specialty pharmacy, like Aetna Specialty Pharmacy. Or, based on your plan, you can use a retail pharmacy.

### Why use a specialty pharmacy?

If you're taking a specialty medicine, you know there can be challenges. It may be expensive and have side effects. This can make it hard to stay on track with your doctor's orders. Our nurses and pharmacists give you the extra support you may need. And our staff knows how to properly ship and handle special medicine to get it to you when you need it.

**We serve our members across the country. It's a one-stop shop for all your specialty medicine needs. Enjoy these helpful services:**

- Free, secure delivery, generally within 48 hours of confirming your order, or later if you want
- Delivery to your home, doctor's office or any other place you choose
- Package tracking for prompt delivery
- Training on how to self-inject your medicine, when necessary
- Flexible payment options for out-of-pocket costs, if needed
- Free injection supplies, like needles, syringes, alcohol swabs, adhesive bandages and sharps containers for needle waste, if needed
