**Conditions of enrollment**

I understand that Aetna Health Inc. underwrites the plan I apply for.

- My employer's application determines coverage. I don't have coverage until Aetna approves my employee enrollment form and the employer application. Even if Aetna approves the employer application, any misstatements or omissions may result in denial of future claims. Aetna may rescind or reevaluate my coverage under the policy, as of the effective date, for eligibility and rating purposes. If Aetna voids or rescinds coverage, I may be entitled to a refund of any paid premiums from the effective date of coverage. Aetna will give at least 30 days advance written notice to any covered person affected by the proposed rescission. If I elect to receive electronic notifications, I will receive this notice in an electronic (email) format.
- In order to underwrite the coverages listed on this enrollment, Aetna may need information about medical history, services or treatment provided to anyone listed on this form. This authorization is valid for the term of the coverage or so long thereafter as allowed by law. This authorization is voluntary. But if I don't sign this form, my ability to enroll in the plan may be affected. I have the right to revoke this authorization in writing to Aetna at any time. I can't revoke authorization for information already used or disclosed before I revoked my authorization. I am entitled to receive a copy of this authorization upon request. A photocopy is as valid as the original.
  - The Group Agreement / Group Policy determines the rights and responsibilities of members and will govern in the event they conflict with any:

We cannot guarantee the availability of any particular provider. Any provider network is subject to change. We will provide a notice of the change in accordance with applicable state law.
- I understand that, with certain exceptions described in the plan documents, HMO plans only provide coverage for network covered benefits. The plan documents also describe if I need a referral for certain procedures, and who can provide care. Covered services must be performed by:
