On-the-spot savings

If your health plan covers any of these discounted services — like acupuncture, chiropractic care, and eye exams — use your plan first. Your out-of-pocket costs could be lower.

These programs are not insurance. So, there are no claims, no referrals and no limits on how often you can use your discount. It's on-the-spot savings that your family members on your health plan can use, too!

You can also save on other health products such as dental products, health books, DVDs and more.
