

Electronic Funds Transfer (EFT) Authorization Agreement

Use this form 1) to enroll in EFT only; or 2) to change the financial institution account you have on file with us. If you are enrolling in electronic remittance advice (ERA) and EFT for the first time, use the combined ERA/EFT enrollment form located at: www.aetnapaperlessoffice.com. We can issue EFTs to all healthcare provider types, including those receiving capitation. See page 4 for definitions of terms with which you are not familiar.

Use the following guide when completing your EFT enrollment forms. Fields with an asterisk are **required**; **sections left blank or illegible will delay processing**.

- Send only one tax identification number (TIN) per fax. Enrollments for additional TINs must be faxed separately. If you would like us to deposit EFT payments into multiple accounts for the same TIN, complete a separate form for each account.
- Include your primary payee National Provider Identifier (NPI; the one receiving payment) on the enrollment form in the Provider Identifiers Information section. We will group your EFTs using the primary payee NPI (regardless of billing NPI submitted on claims). This will reduce the number of EFTs generated when the preference for aggregation is by TIN (all claims processed under this TIN) or split by billing address (claims received matching the specified billing address). If you do NOT want your EFTs grouped, please use the checkbox in the NPI Grouping section on Page 3.
Note: If you do NOT want all claims processed under this TIN set up for EFT, choose from one of the following options:
 - NPI Level Setup – we will only transmit EFTs for the billing NPIs that are enrolled (note: the EFT grouping process described above does not apply). Be sure to list the two or more NPIs you would like to enroll.
 - Billing Address Level Setup – we will only transmit EFTs based on the specific enrolled billing address(es). List the billing address(es) you would like to enroll. (Billing Address level option is located on Page 3.)
- Include a copy of a pre-printed, voided check with the account holder name imprinted on the check or an official letter from your financial institution. We cannot accept deposit slips, starter checks, handwritten or altered checks, and **we cannot process your enrollment without this information**.
- If you are requesting EFT for your capitated payments, you **must** be set up for capitation. You only need to complete one form if the account is the same for both Medical and Capitation claim payments. We can deposit capitation payments made under a single TIN can into only one account.
- The enrollment form **must** be signed by authorized healthcare individuals. The signing authority must match the legal entity associated with the TIN. Examples of authorized healthcare individuals include: Practitioner (MD, DO, DC, DDS, PhD, etc.) and/or Corporate Officer or Authorized Manager (CEO, CFO, Office Manager, etc.).
- You can enroll to receive EFT email notifications when EFT is active and we have issued a claim payment. Sign up for the notifications on our secure provider website on NaviNet® at <https://connect.navinet.net>. Select Aetna→Email Options→Get EFT Email Notifications. Enter your financial institution's account number and click on the Continue Button. You can also unsubscribe or change/update your email address. **To ensure delivery of email notifications, add notifications@transautoemail.aetna.com to your address book.**
Email notification is not available for capitation EFTs.
- All status inquires must include the words "Status Request" in the subject field of the email.
 - To check the status of a new EFT enrollment, send an email to ERAForms@aetna.com
 - To check the status of an EFT change, send an email to EDIHotline@aetna.com

IMPORTANT:

Please allow 15 business days for processing. Processing times may vary depending on number of enrollments received, the accuracy of the information provided and whether the form is legible. We will send an email confirmation letting you know when EFT will start. To take advantage of direct deposit (EFT), your financial institution must be a participating member of NACHA®. You are responsible for notifying us of any changes to your account information. You may receive a phone call from us to ensure the accuracy of the listed financial institution account information. Visit www.aetnapaperlessoffice.com for additional information about ERA/EFT or electronic Explanation of Benefits (EOBs).

Electronic Funds Transfers (EFT)

I hereby authorize Aetna, on behalf of itself and its affiliates, including Aetna Life Insurance Company, Aetna Health Inc., Innovation Health Holdings, LLC, Coventry Health Care, Inc. (“Company”) and their respective subsidiaries, to initiate credit entries to the account at the financial institution listed above for all benefits payments. This agreement will remain in effect until I notify Company of the desire to cancel or change this service or until Company notifies me that this service has been terminated. I understand I must allow reasonable time for my instructions to be executed. I authorize and request the financial institution listed above to accept any credit entries by Aetna to such account and to credit the same to such account.

Company will not debit or deduct funds directly from my financial institution’s account for claim overpayments and/or refund requests, but Company will seek permission to debit my financial institution’s account for any adjustments or corrections to resolve duplicate payments (where “duplicate” is defined as Company sending multiple identical payments in error) or erroneous payments due to a financial institution account setup error. Company will attempt to recover the duplicate or erroneous payment via a debit to my account to the extent permitted by state law and with prior contact to me. If an electronic debit is unsuccessful, Company will notify me in writing to reach an alternative arrangement for reimbursement.*

Once Company transmits an EFT to my financial institution, I acknowledge my financial institution has three (3) business days to settle the funds and make them available in my account. I also acknowledge claims already in process on or before your effective date will still generate paper checks.

*Company strictly adheres to NACHA guidelines.
