Please remember that this is not a complete list of medications covered or excluded under your plan. Certain drugs such as those for smoking cessation or vitamins may not be covered by your particular pharmacy plan. Diabetic supplies may be covered under your medical plan.

Specific prescription benefits plan design may not cover certain categories or may be subject to additional charges or restrictions, regardless of their appearance in this document.

This is not an inclusive list. Void where prohibited by law.

If you have any questions about your pharmacy benefits, please visit the website that's on your member ID card and log in to your member website. If you don't have access to our website, call the Member Services number on your ID card.

Aetna Pharmacy Management refers to an internal business unit of Aetna Health Management, LLC.

Aetna or its affiliate(s) may receive rebates from drug manufacturers. Rebates may reduce the amount a member pays the pharmacy for covered prescriptions.

Information is believed to be accurate as of the production date; however, it is subject to change.
