

# Specialty Drug coverage reviews

---

**2020 Specialty drugs requiring  
prior authorization**

The drugs on this list require prior authorization\* review. If you have a medical need for one of these drugs, your doctor can ask for an exception.

**\*Prior authorization** (also called preauthorization):  
Your doctor needs to get our approval ahead of time before we cover certain drugs.

#### Key

UPPERCASE	Brand-name medicine
<i>lowercase italics</i>	Generic medicine

## 2020 Specialty drugs that require prior authorization

Category			
Acromegaly	<i>octreotide</i> (SANDOSTATIN) SANDOSTATIN LAR DEPOT SIGNIFOR LAR		SOMATULINE DEPOT SOMAVERT
Alcohol and Opioid Dependency	VIVITROL

<sup>1</sup> Coverage generally provided under a medical benefit due to the manner of administration or other unique characteristics.

<sup>2</sup> SGM review performed by Medical Director.

Please remember that this is not a complete list of drugs covered under your plan. Products may be subject to plan-specific copayment or coinsurance, additional charges or other restrictions. Certain drugs, such as those for infertility, erectile dysfunction, weight loss, smoking cessation or vitamins, may not be covered by your particular pharmacy plan. Diabetic supplies may be covered under your medical plan.

To check coverage and copay information for a specific drug, please visit the website on your member ID card and log in to your member website. If you don't have access to our website, call the toll-free number on your member ID card.

Information is believed to be accurate as of the production date; however, it is subject to change.
