

# Special care for a special time – Institutes of Excellence™ Infertility Services

When you want to have a baby and you need special help, it's good to know there's special care available. We select clinics for our Institutes of Excellence™ Infertility Services network based on certain criteria, including quality, safety and value.

These clinics demonstrate success in infertility care and a commitment to continuous improvement. They're also a great value for you.

You can refer to your benefits plan for coverage details. You may need preauthorization – or preapproval – before we'll cover these services.

You can visit **[Aetnainfertilitycare.com](http://Aetnainfertilitycare.com)** to find education materials.

Members and providers can reach our dedicated infertility unit at **1-800-575-5999 (TTY: 711)**.
