B. Commissions

***THIS SECTION SHALL ONLY APPLY TO THE EXTENT PRODUCER RECEIVES COMMISSIONS FROM
COMPANY PURSUANT TO THE APPLICABLE COMMISSION SCHEDULE***

1. **Commissions.** For purposes of this Agreement, the term “commissions” shall be defined broadly to include any compensation paid by Company out of Company funds to Producer on Company’s behalf in exchange for the services provided by Producer and described in this Agreement and may include payments based on (i) the amount of premium collected by Company from an Insured or (ii) the number of employees eligible for benefits employed by Insured, in each case, which are included in the premiums charged by Company to Insured, but shall specifically exclude (a) any bonus payments; and (b) any payments made by an Insured to Producer for which Company acts as a billing and collection agent or in a similar capacity, including payments that Producer has negotiated directly with Insured and are collected outside of Company’s premium. Company will pay Producer commissions on the benefit contracts or policies produced by Producer and issued by Company, if such commissions are required to be paid, in accordance with the terms set forth in the applicable commission schedule, which is hereby made a part of this Agreement. Any or all commission required to be paid by Company under this Agreement may, in the sole discretion of the Company, be paid to Producer by electronic means. Commissions will only be paid on such business for the time period which Producer has been designated “Agent of Record” or “Broker of Record” in writing by the Insured. Any change in “Agent of Record” or “Broker of Record” designation by an Insured must either be (i) in writing on the plan sponsor’s letterhead and signed by an authorized company officer or other Insured personnel acceptable to Company, or (ii) provided to Company by a state- or federally-based exchange. An “Agent of Record” or “Broker of Record” letter that designates a change for commission payments (including a change in the recipient of such payments) will become effective on the first of the month following receipt by the Company unless another future date is designated in the letter, and the Producer agrees that such change may apply retroactively. If commission payments are adjusted retroactively and Producer is no longer the "Agent of Record" or "Broker of Record" as of an earlier date, Producer agrees that Company can set- off against future commissions, and/or can require Producer to remit to the Company any excess commission payments made by the Company within ten (10) days of the effective date except to the extent Producer can document, to the reasonable satisfaction of Company, that Producer continued to service such customer during the period between such earlier date and the retroactive date. Company shall not seek to offset or have the Producer remit any overpayments to Company beyond two years from the date of the event(s) giving rise to such recovery or offset efforts by Company. Notwithstanding the foregoing, the Company shall be entitled to seek to offset or have the Producer remit beyond such two year period if the Company initiates such actions within such two year period. Producer shall not seek to recover any underpayments or non-payments by Company to Producer beyond two years from the date of the event(s) giving rise to such recovery efforts by Producer.
2. **Renewal Commissions.** Subject to Paragraph 5 of Section B, renewal commissions shall be payable to Producer by Company, subject to the terms of this Agreement, including the applicable commission schedule, as long as no other producer is designated in writing as “Agent of Record” or “Broker of Record” by the Insured with respect to the benefit contract for which renewal commissions are paid.
3. **Commission Assignment Rights.**
 - a) Producer may, with Company’s prior written consent, assign commissions payable with respect to individual medical policies and/or group benefit contracts produced by Producer and issued by Company under this Agreement, subject to the following conditions:
 - i. The assignment must be in writing, in a form acceptable to Company and irrevocable, and will be honored only when the assignee certifies that (a) the assignor is a true employee of the assignee (or that the assignor is a partner of the assignee if the assignee is a partnership), (b) the assignor is required to assign all commissions to the assignee as a condition of employment and (c) because of such relationship, it is appropriate for Company to report such commissions for tax purposes as income to the assignee;

- ii. The terms of the assignment must be determined by Company not to prejudice the interest of Company;
 - iii. This Agreement is in force and in good standing at the time of assignment; and
 - iv. The Company determines in its sole discretion that such assignment of commissions is lawful.
 - b) Any purported assignment or transfer of any interest in Producer's commissions other than in strict compliance with this Paragraph 3 shall be void as to Company.
 - c) Any assignment or transfer of any interest in Producer's commission in compliance with this Paragraph 3 will not relieve Producer of its obligation to refund any impermissible commission payments, including, without limitation, payments made to Producer prior to Company's receipt of an "Agent of Record" or "Broker of Record" letter that designates a retroactive change in an Insured's producer.
4. Rights to Commissions on Termination. If this Agreement terminates (other than under Paragraph 3 of Section C), the Company shall continue to pay commissions to Producer (excluding commissions on an Aetna Medicare group policy/benefit contract) at the applicable renewal rates used by Company to pay renewal commissions to Producer on benefit contracts and policies produced by Producer at the time of termination for as long as Producer continues to be designated as "Agent of Record" or "Broker of Record" by the Insured with respect to the benefit contract for which renewal commissions are paid. Notwithstanding anything said above, should an individual Producer be hired by Company as an employee at any point after this Agreement becomes effective, such individual Producer shall not be entitled to any commissions for any renewal or on-going benefits contracts whether or not customer wishes Producer to remain as "Broker of Record". Payment of commissions shall cease as of the date of hire by the Company. Please also reference Term and Termination.
5. Loss of Renewal Commissions.
- a) No further commission shall be payable to Producer should Company terminate this Agreement pursuant to Paragraph 3 fo Section C.
 - b) If Producer is receiving commissions pursuant to post termination rights under Paragraph 4 of Section B, no further commissions shall be payable to Producer if:
 - i. Producer fails to immediately remit to Company any funds received on behalf of the Company;
 - ii. Notwithstanding Company's right of setoff, Producer shall at any time be indebted to Company for more than sixty (60) days;
 - iii. Producer induces or attempts to induce any Insured to give up coverage or replace a benefit contract or policy with coverage by another company unless such change is clearly in the best interest of the insured;
 - iv. Producer purports to act, or represents that Producer is entitled to act, in any way on behalf of Company other than as expressly permitted by this Agreement; or
 - v. Producer commits any act of fraud or dishonesty, engages in inappropriate behavior or conduct, breaches any fiduciary duty or does anything which would have been a material default or substantive breach during the period this Agreement remained in effect.

6. **Limitations on Commission Payments.** Subject to the terms of this paragraph and the applicable addendum, Company will pay to Producer commissions due under this Agreement within thirty (30) days following the end of each calendar month based on premiums actually received and recorded by Company, if such commission is required to be paid. However, Company reserves the right to accumulate commissions until commissions due Producer equal at least \$100.00. In addition, if Company does not receive a required percentage of the Insured's billed premium within thirty (30) days of such billed premium's due date, the Company may withhold payment of any and all commissions that are otherwise due to Producer that are associated with such billed premium. The Company shall disclose any such required percentage in writing to Producer prior to implementing any premium collection requirement. If a return premium charge is due on Producer-generated business, Company has the right to charge back to Producer, or set-off against future commissions due Producer, the amount of commission previously paid to Producer on the amount of returned premium charge in situations in which commission payments by Company to a Producer are based on premiums paid by an Insured to Company. If employee eligibility for an Insured is retroactively adjusted, Company has the right to charge back to Producer, or set-off against future commissions due Producer, the amount of commission previously paid to Producer based on the number of eligible employees in situations in which commission payments by Company to a Producer are based on eligible employees of an Insured.
7. **Disclosure of Compensation.** Producer agrees to disclose in writing to each customer in advance of purchase the nature of any compensation Producer will receive or may be eligible to receive from Company in connection with the placement or servicing of the customer's business, as well as the nature of any other material business relationship that Producer has with Company. Producer will provide any additional disclosure required under state or federal law, including if applicable any disclosure that may be required pursuant to the Federal Department of Labor's ERISA Prohibited Transaction Exemption 77-9. Company may disclose to customers compensation paid to Producer by Company or for which Producer may be eligible in accordance with Company's policies on producer

Producer's failure to comply with any provision of this Agreement shall be material if Company determines that such failure affects Producer's ability to perform under this Agreement. Termination for cause shall not be Company's exclusive remedy, but shall be cumulative with all other remedies available at law or in equity. A failure to terminate this Agreement for cause shall not be a waiver of the right to do so with respect to any past, current or future default.

4. This Agreement will automatically terminate:
 - a) upon the death of Producer, if Producer is an individual;
 - b) upon the dissolution of the corporation or partnership, if Producer is a corporation or partnership; or

In the case of (iii), such individual Producer shall also not be entitled to any further payments as a Producer; to the extent such Producer was so entitled prior to such employment. Please reference "Rights to Commissions on Termination", if applicable.

Company may provide written notice pursuant to this Paragraph 8 by letter, newsletter, electronic mail or other media.
9. To the extent that Producer engages in the offer or sale of an Aetna Medicare Product, Producer agrees to the Medicare requirements set forth in Addendum B. In cases of conflict between this Agreement and the applicable addendum, the terms of the applicable addendum shall govern.

Company may at any time add to, delete from or otherwise alter the coverages, provisions or exclusions of any Company Products without the consent of Producer.

Addendum B - Medicare Requirements

Company is required to identify and oversee its First Tier Entities (as defined in **Exhibit 1** of **Addendum B**) consistent with CMS requirements. Producer acknowledges and agrees that it acts in a capacity as a First Tier Entity in the performance of services for Company under the Agreement, and shall comply, and shall cause its Downstream Entities to comply, with the requirements set forth in this **Addendum B** and **Exhibit 1** of **Addendum B** with respect to the provision of services under this Agreement, including the performance of delegated activities in connection with Company's or its affiliates Medicare Advantage and/or Part D Programs ("Aetna Medicare Products"). Except as provided herein, all other provisions of this Agreement between Company and Producer not inconsistent herein shall remain in full force and effect. This **Addendum B** and **Exhibit 1** of **Addendum B** shall supersede and replace any inconsistent provisions to such Agreement to ensure compliance with required CMS provisions, and shall continue concurrently with the term of such Agreement. The Company shall monitor Producer's performance of its obligations under the Agreement (including this **Addendum B** and **Exhibit 1** of **Addendum B**) on an ongoing basis. Producer's obligations under this **Addendum B** specifically include the following:

A. CMS Medicare Required Terms and Conditions.

Producer agrees to comply with all of the provisions of **Exhibit 1** of **Addendum B**, attached hereto and incorporated into the Agreement. Producer also agrees to comply with the CMS Medicare Marketing Guidelines in effect at the time any sales or marketing services are provided by Producer in respect of the Aetna Medicare Products.

B. First Tier or Downstream Entity Requirements.

1. Producer represents and warrants that all provisions of this **Addendum B** and **Exhibit 1** shall apply equally to any employee, temporary employee, principal, partner, or other individual that performs services under this Agreement. Producer shall take all steps necessary to cause such individuals to comply with this **Addendum B** and **Exhibit 1** and all applicable laws (including CMS instructions). Producer represents and warrants that Producer has the authority to bind such individuals, and shall provide written evidence of the same upon request. Producer also represents and warrants that all provisions of this **Addendum B** and **Exhibit 1** shall apply equally to any of Producer's Downstream Entities, as defined by CMS and **Exhibit 1**. Producer shall include in Producer's contracts with Downstream Entities all of the contractual and legal obligations required by Company in order for the Downstream Entity and Company to comply with applicable law (including CMS instructions). Producer shall take all steps necessary to cause its Downstream Entities to comply with this **Addendum B** and **Exhibit 1**, and applicable law (including CMS instructions). To the extent CMS requires additional provisions to be included in such subcontracts, Company shall amend its contracts with its Downstream Entities accordingly.

2. Maintenance of Records and Audits

- (a) Company or its designee(s) shall have the right, but not the obligation, to audit, inspect and copy, during regular business hours at Company's cost and in a manner that does not unreasonably interfere with Producer's business, any books and records Producer maintains pursuant to this Agreement and the services performed, upon ten (10) business days' written notice to Producer; but only to the extent that such inspection is not prohibited by applicable law. To the extent that Company uses a third-party to audit Producer, such third party may not be a competitor of Producer and shall execute confidentiality agreement acceptable to Producer, such acceptance shall not be unreasonably denied, delayed or withheld.

(b) Producer shall maintain (and shall cause Downstream Entities (as defined in **Exhibit 1** hereto) to maintain) operational, financial, administrative and medical records, contracts, books, files and other documents (including, without limitation, records with respect to sales and referrals, Aetna Medicare Product enrollees' applications for coverage and other transactions with Aetna Medicare Product enrollees and prospective Aetna Medicare Product Enrollees) for ten (10) years, or longer to the extent required by applicable law in connection with services performed under this Agreement ("**Records**"). Such Records shall be maintained in a timely and accurate manner and shall, at a minimum, be reasonably sufficient to allow Company to determine whether Producer and its Downstream Entities are performing their obligations under the Agreement consistent with the terms of the Agreement and in accordance with applicable law and to confirm that the data submitted by Producer and its Downstream Entities for reporting and other purposes is accurate.

(c) In addition, to the extent applicable to Producer, Producer, on behalf of itself and any Downstream Entities, agrees to comply with 42 C.F.R. § 422.2480(c) and 42 C.F.R. § 423.2480(c) and to maintain all Records containing data used by Company to calculate Medicare Medical Loss Ratios ("**MLRs**") for Aetna Medicare Products and/or evidence needed by Company and/or federal governmental authorities with jurisdiction to validate MLRs (collectively, "**MLR Records**") for a minimum of ten (10) years from the date such MLRs were reported by Company to CMS.

3. Compliance With Law. Producer acknowledges that Company, directly or indirectly, receives federal funds and that as a contractor of Company, the payments to Producer under this Agreement are, in whole or in part, from federal funds. In carrying out its duties and obligations under this Agreement, Producer shall follow and adhere to all applicable laws, including, but not limited to Title VI of the Civil Rights Act of 1964, as amended (42 U.S.C. §2000d et. Seq.); sections 503 and 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §§793 and 794); Title IX of the Education Amendments of 1972, as amended (20 U.S.C. § 1681 et. Seq.); section 654 of the Omnibus Budget Reconciliation Act of 1981, as amended (41 U.S.C. §9849); the Americans with Disabilities Act (42 U.S.C. §12101 et. Seq.); and the Age Discrimination Act of 1975, as amended (42 U.S.C. §6101 et. Seq.); the Vietnam Era Veterans Readjustment Assistance Act (38 U.S.C. § 4212); and applicable sections of the Medicare Modernization Act of 2003, HIPAA and the HITECH Act of 2009, together with all applicable implementing regulations, rules guidelines and standards as from time to time are promulgated thereunder.

4. Exclusion Screening and Related Requirements. Producer understands and agrees that no person or entity that provides services, directly or indirectly, for any Aetna Medicare Products, may be an individual or entity excluded from participation in Medicare under Section 1128 or 1128A of the Social Security Act. Producer hereby certifies that no such excluded person or entity will be employed by or utilized by Producer or by any of Producer's Downstream Entities to directly or indirectly perform services under this Agreement. Producer agrees to review the Department of Health and Human Services ("**HHS**") Office of Inspector General List of Excluded Individuals and Entities and the General Services Administration System for Awards Management (collectively, "**Exclusion Lists**") to ensure that no persons or entities employed by or utilized by Producer or by any of Producer's Downstream Entities are included on such Exclusion Lists. Producer agrees to review the Exclusion Lists prior to initially hiring, appointing or contracting with any new employee, temporary employee or Downstream Entity and at least once per month thereafter to confirm that such persons and entities are not included on such Exclusion Lists. Producer agrees that if any such person or entity utilized by Producer to directly or indirectly to perform services under this Agreement appears on an Exclusion List and/or is excluded from participation in any federally-funded health program, Producer will immediately remove the employee, temporary employee or Downstream Entity from any work related directly or indirectly to Aetna Medicare Products, and take all corrective actions required under applicable laws, rules or regulations. In the event Producer or any employee, temporary employee or Downstream Entity of Producer that directly or indirectly performs services under this Agreement is listed in an Exclusion List after the Effective Date, Company shall have the right, in its sole discretion and judgment, to terminate Producer's provision of services to Aetna Medicare Products in accordance with the Agreement or to disqualify any such person or entity on the Exclusion List from providing any part of the services under this Agreement. In addition, Producer shall, and shall cause each individual or entity with whom it contracts or to whom it delegates any obligations under the Agreement to review the Specially Designated Nationals and Blocked Persons list published by the Office of Foreign Assets Control of the U.S. Department of Treasury prior to the initial hiring of any

employee or engagement of any subcontractor (including any agent) to furnish services to Company, and monthly thereafter, and to promptly notify Company of discovering any employee's or subcontractor's name on such list. Upon such discovery by Producer or Company, Company reserves the right to block payments to Producer, and/or take any other actions which may be required to comply with law. In the case an agent appears on the Specially Designated Nationals and Blocked Persons list, Company, in its sole discretion, may terminate the appointment of such agent and/or any agreement between Company and such agent.

5. **Reporting and Disclosure; Submission of Other Data.** Upon request by Company, Producer shall certify, and cause its Downstream Entities to certify, that any data and other information submitted to Company are accurate, complete and truthful based on best knowledge, information and belief. Producer shall provide reasonable cooperation and assistance with Company's requests for information and shall promptly submit encounter data, medical records and such other information as requested by Company to allow Company to respond in a timely manner to any data validation audits or requests for information by CMS, and to monitor and audit the obligation of Producer and Downstream Entities to provide accurate, complete and truthful data and other information. Producer agrees to immediately notify Company if any encounter data that Producer submitted to Company is inaccurate, incomplete or erroneous, and cooperate with Company to correct erroneous encounter data to ensure Company's compliance with Medicare laws, rules and regulations and CMS instructions. This paragraph 5 shall survive termination of the Agreement, regardless of the cause giving rise to termination.
6. **Offshore Services.** Producer is prohibited from performing on its own or using any individual or entity ("**Offshore Entity**") (including but not limited to, any employee, contractor, agent, representative or other individual or entity) to perform any services for Aetna Medicare Products if the individual or entity is physically located outside of one of the fifty United States or one of the United States Territories (i.e., American Samoa, Guam, Northern Marianas, Puerto Rico and the Virgin Islands) ("**Offshore Services**") unless Company, in its sole discretion and judgment, agrees in advance and in writing to the provision of Offshore Services by Producer or any Offshore Entity as described above. Producer further represents and warrants that it does not and will not permit any Aetna Medicare Product Enrollees' protected health information or other personal information to be accessible by any Offshore Entity, without prior written notice to Company and Company's prior written approval of such Offshore Entity. Producer agrees that Company has the right to audit any Offshore Entity prior to the provision of Offshore Services for Aetna Medicare Products. Additionally, Provider acknowledges and agrees that Offshore Services that involve Member PHI are subject to CMS reporting within thirty (30) days of: (1) performing, or contracting with an Offshore Entity to perform, Offshore Services, and (2) any time Producer changes the Offshore Services that an Offshore Entity will perform.
7. **Compliance Program and Anti-Fraud Initiatives.** Producer shall (and shall cause its Downstream Entities to) institute, operate, and maintain an effective compliance program to detect, correct and prevent the incidence of non-compliance with CMS requirements and the incidence of fraud, waste and abuse (FWA) relating to the operation of Company's Medicare Program. Such compliance program shall be appropriate to Producer or Downstream Entity's organization and operations and shall include:
 - (a) written compliance policies and standards of conduct that are comparable to Company's compliance policies/Company's Code of Conduct and articulate the entity's commitment to comply with federal and state laws, ethical behavior and compliance program operations. Producer will disseminate either Company's compliance policies/Company's Code of Conduct or comparable versions to Producer's employees, officers, and Downstream Entities within 90 days of hire/contracting, when updates are made, and annually thereafter;
 - (b) reporting mechanisms communicated to Producer's employees and Downstream Entities for their use in adhering to the expectation that Producer, its employees and its Downstream Entities report potential non-compliance or FWA issues (internally and to Company, as applicable) and understand their obligation to report. Producer must publicize the reporting methods to Producer's employees and Downstream Entities along with a no-tolerance policy for retaliation or retribution for good faith reporting;

- (c) completion of CMS' Medicare Learning Network® "Medicare Parts C and D Fraud, Waste, and Abuse Training and Medicare Parts C and D General Compliance Training" by Producer's employees, officers, and Downstream Entities initially within ninety (90) days of hire/contracting and at least annually thereafter, unless exempt from Fraud, Waste, and Abuse training under relevant CMS regulations. Training may be completed in one of two ways: (1) by completing the general compliance and FWA training modules located on the CMS Medicare Learning Network; or (2) by downloading, viewing or printing the content of the then current CMS standardized training modules from the CMS website to incorporate into Producer's and/or Downstream Entity's organization's existing compliance training materials/systems. The CMS training content may not be changed but Producer and/or its Downstream Entities may add to it to cover topics specific to its organization;
 - (d) processes to oversee and ensure that Producer and Producer's Downstream Entities maintain compliance with processes to oversee and ensure that: (1) Producer and Producer's Downstream Entities maintain compliance with CMS compliance program requirements, and (2) Producer's Downstream Entities perform the services to be provided under this Agreement consistent with this Agreement and the agreement between Producer and such Downstream Entities. Producer's oversight under this Agreement shall include: (1) imposition of disciplinary actions, as needed, to ensure employee compliance with CMS compliance program requirements, and (2) implementation of corrective actions (up to and including contract termination), as needed, with respect to its Downstream Entities to ensure Downstream Entity compliance with applicable CMS requirements, including the CMS compliance program requirements, this Agreement and Producer's contract with the Downstream Entity; and
 - (e) retention of evidence showing that Producer and Producer's Downstream Entities complied with the requirements set forth in this Section 8(e). Such evidence must be maintained for at least the period of time specified in Section 2 of this **Addendum B** and shall be made available to Company and CMS, upon request. Producer shall complete attestations in the form and manner requested by Company to confirm its compliance with this Section on an annual basis.
8. **Exhibit 1.** Producer agrees to comply with all the provisions set forth in **Exhibit 1** to this **Addendum B**. All obligations set forth in **Exhibit 1** apply equally to the Medicare Advantage Plans and Part D Plans, even if **Exhibit 1** only refers to Medicare Advantage Plans.
