Key

PR = Precertification required under most plans

QL = Quantity Limits applies under most plans

SI = Self-injectable drug (some plans may cover injectable medications through the medical benefit)

Aetna Specialty Pharmacy refers to Aetna Specialty Pharmacy, LLC, a subsidiary of Aetna Inc., which is a licensed pharmacy that operates through mail order. The charges Aetna negotiates with Aetna Specialty Pharmacy may be higher than the cost it pays for the drugs and the costs of its specialty pharmacy services. For these purposes, Aetna Specialty Pharmacy's cost of purchasing drugs takes into account discounts, credits and other amounts it may receive from wholesalers, manufacturers, suppliers, and distributors.

Aetna is the brand name used for products and services provided by one or more of the Aetna group of subsidiary companies. The Aetna companies that offer, underwrite or administer benefits coverage include: Aetna Health Inc., Aetna Health of California Inc., Aetna Health of the Carolinas Inc., Aetna Health of Illinois Inc., Aetna Health Insurance Company of New York, Corporate Health Insurance Company and/or Aetna Life Insurance Company.
