E2. Changes to drug coverage

Changes to our Drug List

An updated *List of Covered Drugs* is located on our website at [AetnaMedicare.com/MICHDSNP](https://www.aetna.com/MICHDSNP). You may also call Member Services at the numbers at the bottom of the page for updated drug information or to ask us to mail you a *List of Covered Drugs*. The *List of Covered Drugs* is also called the “Drug List.”

We made changes to our *Drug List*, which could include removing or adding drugs, changing drugs we cover and changes to the restrictions that apply to our coverage for certain drugs or moving them to a different cost-sharing tier.

Review the *Drug List* to **make sure your drugs will be covered next year** and to find out if there are any restrictions or if your drug has been moved to a different cost-sharing tier.

Most of the changes in the *Drug List* are new for the beginning of each year. However, we might make other changes that are allowed by Medicare and/or the state that will affect you during the calendar year. We update our online *Drug List* at least monthly to provide the most up to date *Drug List*. If we make a change that will affect a drug you're taking, we'll send you a notice about the change.

If you're affected by a change in drug coverage, we encourage you to:

- Work with your doctor (or other prescriber) to find a different drug that we cover.
 - You can call Member Services at the numbers at the bottom of the page or contact your Care Coordinator to ask for a *List of Covered Drugs* that treat the same condition.
 - This list can help your provider find a covered drug that might work for you.
- Ask us to cover a temporary supply of the drug.
 - In some situations, we'll cover a **temporary** supply of the drug during the first 90 days of the calendar year.
 - This temporary supply is for up to 30 days in an outpatient setting and 31 days in a long-term

If you have questions, please call Aetna Medicare HIDE (HMO D-SNP) at [1-855-676-5772](tel:1-855-676-5772) (TTY: [711](tel:711)), 8 AM to 8 PM, 7 days a week. The call is free.
For more information, visit [AetnaMedicare.com/MICHDSNP](https://www.aetna.com/MICHDSNP).

care facility. (To learn more about when you can get a temporary supply and how to ask for one, refer to **Chapter 5** of your *Member Handbook*.)

- When you get a temporary supply of a drug, talk with your doctor about what to do when your temporary supply runs out. You can either switch to a different drug our plan covers or ask us to make an exception for you and cover your current drug.
- If your prescription is written for fewer days, we'll allow multiple fills to provide up to a maximum of 30 days of medication in an outpatient setting and 31 days in a long-term care facility. You must fill the prescription at a network pharmacy.
- Long-term care pharmacies may provide your prescription drug in small amounts at a time to prevent waste.
- If you received a formulary exception for a drug you currently take, please refer to the letter that you received that gave permission for the exception. This letter will tell you if the exception continues after 2025. If it says your formulary exception will expire in or at the end of 2025, you will need to submit a new exception request for the drug for 2026 if its formulary status has not changed.
- You may review the 2026 comprehensive formulary on our website at [AetnaMedicare.com/MICHDSNP](https://www.aetna.com/MICHDSNP) to see if the changes affect your drug. Please call Member Services at the numbers at the bottom of the page to request a formulary exception for 2026

Changes to drug costs

There are two payment stages for your Medicare Part D drug coverage under our plan. How much you pay depends on which stage you're in when you get a prescription filled or refilled. These are the two stages:

Stage 1 Initial Coverage Stage	Stage 2 Catastrophic Coverage Stage
During this stage, our plan pays part of the costs of your drugs, and you pay your share. Your share is called the copay. You begin this stage when you fill your first prescription of the year.	During this stage, the plan pays all of the costs of your drugs through December 31, 2026. You begin this stage after you pay a certain amount of out-of-pocket costs.

The Initial Coverage Stage ends when your total out-of-pocket costs for drugs reaches \$2,100. At that point, the Catastrophic Coverage Stage begins. Our plan covers all of your drug costs from then until the end of the year. Refer to **Chapter 6** of your *Member Handbook* for more information on how much you pay for drugs.

Under the Manufacturer Discount Program, drug manufacturers pay a portion of our plan's full cost for covered Part D brand name drugs and biologics during the Initial Coverage Stage and the Catastrophic Coverage Stage. Discounts paid by manufacturers under the Manufacturer Discount program don't count toward out-of-pocket costs.

E3. Stage 1: "Initial Coverage Stage"

During the Initial Coverage Stage, our plan pays a share of the cost of your covered drugs, and you pay your share. Your share is called the copay. The copay depends on what cost-sharing tier the drug is in and where you get it. You pay a copay each time you fill a prescription. If your covered drug costs less than the copay, you pay the lower price.

We moved some of the drugs on our *Drug List* to a lower or higher drug tier. If your drugs move from tier to tier, this could affect your copay. To find out if your drugs are in a different tier, look them up in our

If you have questions, please call Aetna Medicare HIDE (HMO D-SNP) at [1-855-676-5772](tel:1-855-676-5772) (TTY: [711](tel:711)), 8 AM to 8 PM, 7 days a week. The call is free.

Drug List.

The following table shows your costs for a one-month supply filled at a network pharmacy with standard copays in each of our 5 drug tiers. These amounts apply **only** during the time when you're in the Initial Coverage Stage.

Most adult Part D vaccines are covered at no cost to you. For information about the costs of vaccines, or information about the costs for a long-term supply or for mail-order prescriptions go to **Chapter 6, Section D** of your *Member Handbook*.

G. Choosing a plan

G1. Staying in our plan

We hope to keep you as a plan member.

You don't have to do anything to stay in our plan. Unless you sign up for a different Medicare plan or change to Original Medicare, you'll automatically stay enrolled as a member of our plan for 2026.

G2. Changing plans

Most people with Medicare can end their membership during certain times of the year. Because you have Michigan Medicaid MICH plan, you can end your membership in our plan any month of the year.

In addition, you may end your membership in our plan during the following periods:

- The **Open Enrollment Period**, which lasts from October 15 to December 7. If you choose a new plan during this period, your membership in our plan ends on December 31 and your membership in the new plan starts on January 1.
- The **Medicare Advantage (MA) Open Enrollment Period**, which lasts from January 1 to March 31. If you choose a new plan during this period, your membership in the new plan starts the first day of the next month.

There may be other situations when you're eligible to make a change to your enrollment. For example, when:

- you moved out of our service area,
- your eligibility for Michigan Medicaid or Extra Help changed, **or**
- you recently moved into or are currently getting care in an institution (like a skilled nursing facility or a long-term care hospital). If you recently moved out of an institution, you can change plans or change to Original Medicare for two full months after the month you move out.

Your Medicare services

You have three options for getting your Medicare services listed below any month of the year. You have an additional option listed below during certain times of the year including the **Open Enrollment Period** and the **Medicare Advantage Open Enrollment Period** or other situations described in **Section G2**. By choosing one of these options, you automatically end your membership in our plan:

If you have questions, please call Aetna Medicare HIDE (HMO D-SNP) at **1-855-676-5772** (TTY: **711**), 8 AM to 8 PM, 7 days a week. The call is free.

H5. Michigan Medicaid

Michigan Medicaid is a health care program that provides comprehensive health care services to low income adults and children. Services covered by Medicaid are offered through what's called fee-for-service or through Medicaid Health Plans:

- Fee-for-service is the term for Medicaid paid services that aren't provided through a health plan. This means that Medicaid pays for the service. People under fee-for-service will use the MIhealth card to receive services.

If you have questions, please call Aetna Medicare HIDE (HMO D-SNP) at [1-855-676-5772](tel:1-855-676-5772) (TTY: [711](tel:711)), 8 AM to 8 PM, 7 days a week. The call is free.

For more information, visit AetnaMedicare.com/MICHDSNP.

- Additional information regarding MIhealth can be found by accessing the following website <https://www.michigan.gov/mdhhs/assistance-programs/healthcare/adults/quicklinks/the-mihealth-card>.
- Most people must join a health plan. The health plan pays for most of the services. For people that need to join a health plan, Michigan Enrolls will send a letter with more information. After enrollment with a health plan, both the MIhealth card and the health plan card are needed to access services. For additional information regarding joining a health plan, please visit the following website https://www.michigan.gov/mdhhs/-/media/Project/Websites/mdhhs/Folder2/Folder14/Folder1/Folder114/MHP_Service_Area_Listing.pdf?rev=fe2f344f7c46481fb39eb034a8601cd5&hash=D59C718240AE79F1F708D4103AD823A8.

Costs

Enrollees don't have to pay the full cost of covered services; however, a small amount called a co-pay may be required. People age 21 and older may have a co-pay for the services listed in the Beneficiary Co-Payment Requirements. To see a list of co-pay amounts in this chart, please visit https://www.michigan.gov/mdhhs/-/media/Project/Websites/mdhhs/Folder1/Folder60/WebCo-PayTable_11-02-06.pdf?rev=39dfeae1839e4434b66f503f84d63e45&hash=18CE85BF53_B120E81739BD1F781CE2B8.

H6. The Medicare Prescription Payment Plan

The Medicare Prescription Payment Plan is a payment option that may help you manage your out-of-pocket costs for drugs covered by our plan by spreading them across the calendar year (January-December) as monthly payments. This program doesn't save you money or lower your drug costs.

"Extra Help" from Medicare and help from your state's pharmaceutical assistance program (SPAP) and the AIDS Drug Assistance Program (ADAP), for those who qualify, is more advantageous than participation in the Medicare Prescription Payment Plan alone. All enrollees are eligible to participate in this program, regardless of income level. To learn more about this program please contact us at the phone number at the bottom of this page or visit [Medicare.gov](https://www.medicare.gov).

We may use it to make plan decisions, to do audits, or to study the quality of our work. This means we may share your information with doctors, dentists, pharmacies, hospitals or other caregivers. We also may share it with other insurers, vendors, government offices, or third-party administrators. But by law, all these parties must keep your information private.
