Accidental death & personal loss coverage

Planning for the unforeseen

You already have health insurance that helps pay your bills when you’re ill or need to see a doctor. But what happens if you’re involved in an accident that causes a serious loss or even death?

That’s where your accidental death and personal loss coverage steps in.

A sense of security

Despite our best planning, accidents do happen sometimes. Minor ones might temporarily shake up your daily routine — but some can have a major impact on health, finances or long-term lifestyles.

Wherever you go in the world, you’ll have the peace of mind knowing that your accidental death and personal loss benefits cover you and your family 24/7.
