# Hip Arthroplasty Precertification Information Request Form

## About this form

**You can't use this form to initiate a precertification request.** To initiate a request, call our Precertification Department or you can submit your request electronically. **Failure to complete this form and submit the medical records we are requesting may result in the delay of review.**

This form replaces all other Total hip replacement arthroplasty precertification information request documents and forms. This form will help you supply the right information with your precertification request. You don't have to use the form. But it will help us adjudicate your request more quickly.

## How to fill out this form

As the patient's attending physician, you must complete all sections of the form. You can use this form with all Aetna health plans, including Aetna's Medicare Advantage plans. You can also use this form with health plans for which Aetna provides certain management services.

## When you're done

Once you've filled out the form, submit it **and** all requested medical documentation to our Precertification Department by:

- We prefer you submit precertification requests electronically. Use our provider portal on Availity® to also upload clinical documentation, check statuses, and make changes to existing requests. Register today at [availity.com/aetnaproviders](http://availity.com/aetnaproviders) or **learn more about Availity at [www.availity.com/aetnatraining](http://www.availity.com/aetnatraining).**
- Send your information via confidential fax to: Precertification – Commercial and Medicare (including **expedited**) using FaxHub: **1-833-596-0339**
  - The fax number above (FaxHub) is for clinical information only. Please send specific information that supports your medical necessity review. Please continue to send all other information (claims etc.) to appropriate fax numbers
- Mail your information to: **PO Box 14079  
Lexington, KY 40512-4079**

## What happens next?

Once we receive the requested documentation, we'll perform a clinical review. Then we'll make a coverage determination and let you know our decision. Your administrative reference number will be on the electronic precertification response.

## How we make coverage determinations

If you request precertification for a Medicare Advantage member, we use CMS benefit policies, including national coverage determinations (NCD) and local coverage determinations (LCD) when available, to make our coverage determinations. If there isn't an available NCD or LCD to review, then we'll use the Clinical Policy Bulletin referenced below to make the determination.

For all other members, we encourage you to review **Clinical Policy Bulletin #0287 Hip Arthroplasty** before you complete this form.

You can find the Clinical Policy Bulletins and Precertification Lists by visiting the website on the back of the member's ID card.

## Questions?

If you have any questions about how to fill out the form or our precertification process, call us at:
