Your doctor is changing medical groups

Beginning <<Effective_Date>>, your primary care physician (PCP) is leaving <<Current_PMG>> because Aetna Health of California Inc. no longer contracts with this group as of << Effective_Date>>.

What this change means for you

Dr. «PCP__Check_SheetLast» will continue to be your PCP and will remain at his/her current office location:

<< Address1>>
<< CityStateZip>>
<< Phone1>>

This PCP is now part of <<To_IPA>>. This group participates in the Aetna network. Please contact this group for more information.

<<To_IPA >>
<< To_IPA_Amin_Address>>

Soon you'll get a new Aetna member ID card. Please throw away your old card. Begin using your new card.

Because of this change, you may need to change your current specialist and/or hospital facility. You'll need to get care from specialists and hospitals who are affiliated with your new provider group. The hospital(s) affiliated with <<To_IPA >> are <<To_IPA_Hosp_Affils>>. Please ask your PCP about which specialist(s) you can see.

Continuing your care

You may qualify for what we call "transition of care coverage." This means you may be able to stay with your present specialist or provider if you've already started treatment.

In some cases, you may be able to keep going to your current provider to complete a treatment or to have treatment that was already scheduled. This is called *continuity of care*.

Care will continue during a transitional period that will vary based on your condition. You or your provider should call us for approval to continue any care. You can review the specific conditions in our Transition of Care policy which you will find in the link below under "California HMO Transition of Care Coverage." <https://www.aetna.com/individuals-families/member-rights-resources/rights/state-specific-information.html>

You may also refer to your Evidence of Coverage and the section entitled, *Who provides the care - Keeping a provider you go to now (continuity of care)* for details.

You or your doctor must complete a Transition Coverage Request form and send it to us. To get the form and to get your questions answered about continuing care, please call us at 800-445-5299.
