G. CLINICAL INFORMATION (continued) – Required clinical information must be completed in its entirety for all precertification requests.

For Continuation of Therapy Requests (clinical documentation required for all requests):

Yes No Has the patient experienced a reduction in severity and/or duration of attacks when the requested medication is used to treat an acute attack?

Yes No Does the patient's attack frequency, attack severity, comorbid conditions and member's quality of life warrant prophylactic therapy?

Yes No Has prophylactic treatment been considered?

Yes No Please provide a brief rationale as to why prophylactic treatment has not been considered: _____

H. ACKNOWLEDGEMENT

Request Completed By (Signature Required): _____ **Date:** ____ / ____ / ____

Any person who knowingly files a request for authorization of coverage of a medical procedure or service with the intent to injure, defraud or deceive any insurance company by providing materially false information or conceals material information for the purpose of misleading, commits a fraudulent insurance act, which is a crime and subjects such person to criminal and civil penalties.

The plan may request additional information or clarification, if needed, to evaluate requests.
