Please check all boxes that apply (continued):

4. For the diagnosis of WHO Group I pulmonary arterial hypertension (PAH): Please complete this section.

Yes No Was the diagnosis of pulmonary arterial hypertension (WHO Group I) confirmed by right heart catheterization?

For NEW STARTS only:

Yes No Was the pretreatment mean pulmonary arterial pressure greater than or equal to 25 mmHg?

Yes No Was the pretreatment pulmonary capillary wedge pressure less than or equal to 15 mmHg?

Yes No Was the pretreatment pulmonary vascular resistance greater than 3 Wood units?

Please complete this section below only if your patient does not meet the standard requirements listed above.

Please explain why your patient should be considered for exception although not meeting the plan's suggested PA criteria. Statement should include specifically which requirement is not met and why patient should be exempt from meeting this requirement. (Please note any information that is incomplete or illegible will delay the review process.)

5. Yes No The quantity limit for sildenafil 20mg tablet is 90 tablets per 30 days. Does patient require higher dosage (quantity limit exception)?

▶ If yes, indicate quantity requested: _____ per 30 days OR quantity _____ per day

The number of doses available under the dose restriction for the prescription drug has been ineffective in the treatment of the enrollee's disease or medical condition.

The number of doses available under the dose restriction for the prescription drug, based on both sound clinical evidence and medical and scientific evidence, the known relevant physical or mental characteristics of the enrollee, and known characteristics of the drug regimen, is likely to be ineffective or adversely affect the drug's effectiveness or patient compliance.

6. Please list all medications the patient has tried specific to the diagnosis and specify below.

CURRENT/PAST MEDICATIONS USED	DATES OF TREATMENT	THERAPEUTIC OUTCOME

7. Other supporting information

*NOTE: All exception requests require prescriber supporting statements. Additionally, requests that are subject to prior authorization (or any other utilization management requirement), may require supporting information. Please attach supporting information, as necessary, for your request.

I attest that the medication requested is medically necessary for this patient. I further attest that the information provided is accurate and true, and that documentation supporting this information is available for review if requested by the health plan sponsor, or, if applicable, a state or federal regulatory agency. I understand that any person who knowingly makes or causes to be made a false record or statement that is material to a claim ultimately paid by the United States government or any state government may be subject to civil penalties and treble damages under both the federal and state False Claims Acts. See, e.g., 31 U.S.C. §§ 3729-3733. By signing this form, I represent that I have obtained patient consent as required under applicable state and federal law, including but not limited to the Health Information Portability and Accountability Act (HIPAA) and state re-disclosure laws related to HIV/AIDS.
