Outpatient Behavioral Health (BH) – ABA Treatment Request: Required Information for Precertification

Applies to:

Aetna® plans

Innovation Health® plans

Health benefits and health insurance plans offered, underwritten and/or administered by the following:

Allina Health and Aetna Health℠ app Insurance Company (Allina Health | Aetna)

Banner Health and Aetna Health Insurance Company and/or Banner Health and Aetna Health Plan Inc. (Banner|Aetna)

Aetna is the brand name used for products and services provided by one or more of the Aetna group of companies, including Aetna Life Insurance Company and its affiliates (Aetna). Innovation Health is the brand name used for products and services provided by Innovation Health Insurance Company and Innovation Health Plan, Inc. Aetna and its affiliates provide certain management services for its affiliates, including Innovation Health.

We've made it easy for you to request services and submit any applicable clinical information. Just use our provider portal on Availity. Register today at Availity.com/aetnaproviders. Once your account is ready, you can start submitting requests right away.

- For additional information on Availity, go to: **https://www.aetna.com/health-care-professionals/resource-center/availity.html**

Requesting authorizations on Availity is a simple two-step process
Here's how it works:

1. Submit your initial request on Availity with the Authorization (Precertification) Add transaction.
   - Note: Every precertification request should have a unique reference number
2. Then complete a short questionnaire, if asked, to give us more clinical information.
   - If you receive a pended response, then complete this form and attach it to the case electronically.

About this form: If you are not utilizing availity you must call our precertification department and submit a precertification request prior to submitting this form with your clinical information. This form will help you supply the right information with your precertification request. Failure to submit applicable medical records may result in a delay or denial of coverage.

Don't use this form for Maryland and Massachusetts.

What you need to know
Effective **January 1, 2026,** this form replaces all other Applied Behavior Health Analysis (ABA) precertification information request documents and forms. You can initiate a request electronically. Or you can call our Precertification Department.

A completed fax form contains confidential information.
Only the individual or entity it's addressed to can use it. If you're not the intended recipient, or the employee or agent responsible for delivering the form to the intended recipient, you can't disseminate, distribute or copy the completed form. If you received the completed form in error, call us at **1-800-624-0756 (TTY: 711)** or **1-888-632-3862 (TTY: 711)**.

How to fill out this form
As the patient's attending provider, you must complete all sections of the form. Do not use this form to initiate a precertification request. **To initiate a request, submit electronically on Availity or call our Precertification Department.** Submit your medical records to support the request with your electronic submission. **Don't use this form for Maryland and Massachusetts.**

When you're done

Once you've filled out the form, submit it and all requested medical documentation to our Precertification Department by:

- If your request was submitted via telephone, you either:
  - Access our provider portal via Availity; enter the Reference number provided and attach this form and all requested medical documentation to the case or
  - Send your information by confidential fax to:
    - **Precertification**- Commercial ABA: **860-607-7406**
    - The fax number above is for clinical information only. Please send specific information that supports your medical necessity review. **Please continue to send all other information to the appropriate fax numbers.**

What happens next?

Once we receive the requested documentation, we'll perform a clinical review. Then we'll make a coverage determination and let you know our decision. Your administrative reference number will be on the electronic precertification response.

How we make coverage determinations

We encourage you to review **Clinical Policy Bulletin #648: Autism Spectrum Disorders, and Applied Behavior Analysis Medical Necessity Guide**, before you complete this form. You can find the policy by visiting the website on the back of the member's ID card. You can also review the **Applied behavior analysis medical necessity guide**.

Questions?

If you have any questions about how to fill out the form or our precertification process, call us at **1-800-424-4047 (TTY: 711)**.

5. Please include the following supporting documentation with your request, where applicable

- Results of a standardized assessment (i.e. Vineland, ABAS, VB-MAPP) completed within the past 12 months. Re-evaluation of interventions and progress has been performed (every 6 months) to assess the need for ongoing ABA; **AND** a repeat validated assessment has been done every 6-12 months to demonstrate response to intervention. Include the member's IQ, if available
- A time-limited, individualized treatment plan that has clearly defined and measured target behaviors, including baseline levels and quantifiable criteria for progress. The plan describes behavioral intervention techniques appropriate to the target behaviors, reinforcers selected, and strategies for generalization of learned skills are specified. Include baseline, interim and current data for all goals. Include the results of a functional behavior assessment and/or skills assessment, as applicable
- Supporting data that demonstrates the level/severity of impairment justifies the number of hours requested
- Primary caregiver(s) have measurable goals that work to reinforce interventions and generalize gains
- Clearly defined, measurable, and realistic criteria for titration of hours and ultimate discharge, including an aftercare plan
- There is involvement of, or referrals to, appropriate health care, community, or supplemental resources.
- Describe any barriers to providing this information and efforts to address those barriers
- Any additional details to be considered for this request

Section 3 – Read this important information

Any person who knowingly files a request for authorization of coverage of a medical procedure or service with the intent to injure, defraud or deceive any insurance company by providing materially false information or conceals material information for the purpose of misleading, commits a fraudulent insurance act, which is a crime and subjects such person to criminal and civil penalties.

Section 4 – Sign the form. Just remember: You can't use this form to initiate a new precertification request.
