THIS PLAN IS A SUPPLEMENT TO HEALTH INSURANCE AND IS NOT A SUBSTITUTE FOR MAJOR MEDICAL COVERAGE. THIS PLAN DOES NOT COUNT AS MINIMUM ESSENTIAL COVERAGE UNDER THE AFFORDABLE CARE ACT. This plan provides limited benefits. It pays fixed-dollar benefits for covered services without regard to the health care provider's actual charges. This benefit payment is not intended to cover the full cost of medical care. You are responsible for making sure the providers' bills get paid. These benefits are paid in addition to any other health coverage you may have.

This plan has exclusions and limitations. Refer to the actual policy and certificate to determine which benefits are not payable. The following is a partial list of services and supplies that are generally not covered. However, the plan may contain exceptions to this list based on state mandates or the plan design purchased.

Financial Sanctions Exclusion: If coverage provided by this policy violates or will violate any U.S. economic or trade sanctions, the coverage is immediately considered invalid. For example, Aetna companies cannot make payments or reimburse for health care or other claims or services if it violates a financial sanction regulation. This includes sanctions related to a blocked person or entity, or a country under sanction by the United States, unless permitted under a valid written Office of Foreign Assets Control (OFAC) license.
