Section 1: Introduction

This directory provides a list of your plan's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

Your plan covers primary, specialty, and urgent care telehealth visits, including with behavioral health providers. Please check with your provider directly to see if a telehealth visit is available and an option for your care.

If you are enrolled in our Aetna Medicare Plan (HMO D-SNP), you will have to choose one of our network providers listed in this directory to be your **Primary Care Provider (PCP)**. Generally, you must get your health care services from your PCP. Your PCP will issue referrals to participating specialists and facilities for certain services. For some services, your PCP is required to obtain prior authorization from Aetna Medicare. You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor Aetna Medicare will be responsible for the costs.

The network providers listed in this directory have agreed to provide you with your health care, vision, hearing and dental services. You may go to any of our network providers listed in this directory; however, some services may require a referral.

In cases where out-of-network providers submit a bill directly to you, you should not pay the bill. Submit it to Aetna Medicare for processing and determination of your cost-sharing amount, if any. Our claims/billing address is on the back of your ID card.

Certain network health care services, such as hospitalization or outpatient surgery, require prior authorization from Aetna Medicare. This means the service must be approved by Aetna Medicare before it will be covered under the plan. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC). When you need services that require prior authorization from a network provider, the provider is responsible for obtaining prior authorization from Aetna Medicare before treatment. If your plan includes an out-of-network benefit and you decide to receive covered services from an out-of-network provider, we recommend you ask your out-of-network provider to contact Aetna Medicare for prior authorization of those services.

Appointment wait time standards for primary care physician (PCP) and behavioral health (BH) providers

Providers are required to have appointments available, in person or via telemedicine, within these time frames:

New appointment wait time standards (“Access to care”)	Primary Care Physicians (PCPs)	Behavioral Health (BH) providers
Emergency and urgently needed services	Immediately (or referred to the emergency room, as appropriate)	Immediately (or referred to the emergency room, urgent care/crisis center, as appropriate)
Non-emergency/Non-urgent; but requires medical attention	Within 7 business days	Within 7 business days
Routine and preventive care	Within 30 business days	Within 10 business days
Follow-up care	As appropriate, if needed	<ul style="list-style-type: none"> • Non-prescribers of medication: Within 3 weeks • Prescribers of medication: Within 5 weeks

Emergency care

If you need emergency care, you are covered 24 hours a day, 7 days a week, anywhere in the world. Whether you are in or out of an Aetna Medicare service area, we simply ask that you follow the guidelines below when you believe you need emergency care.

- Call the local emergency hotline (for example, 911) or go to the nearest emergency facility. Notify your PCP as soon as possible after receiving treatment. Or if a delay would not be harmful to your health, call your PCP.
- If you are admitted to an inpatient facility, you, a family member or friend on your behalf should notify your PCP or Aetna Medicare as soon as possible.

If you are traveling outside of the Aetna Medicare Plan service area, you are covered for emergency and urgently needed care. Emergency care can always be obtained in or out of the service area from the nearest available provider.

When in the network service area, HMO D-SNP plan members must use network providers for urgent care unless the providers are not available. When out of the service area, urgent care may be obtained from the first available provider or any qualified provider when network providers are unavailable. Urgent care may be obtained from a private practice physician, a walk-in clinic, an urgent care center or an emergency facility anywhere worldwide. We will review the information submitted to us by the provider who supplied your care. If the nature of the urgent or emergency problem does not qualify for coverage, you may have to provide us with additional information.

Follow-up care after emergencies

All follow-up care should be coordinated by your PCP. Whether you were treated inside or outside your Aetna Medicare service area, if your plan requires referrals, you must obtain a referral before any follow-up care can be covered. If your plan does not require referrals you should contact our Member Services department at **1-844-498-1860 (TTY: 711)**, before care is received at out-of-network facilities. Suture removal, cast removal, X-rays and clinic and emergency room revisits are some examples of follow-up care.

Nationally contracted walk-in clinics / Klinik san randevou sou kontra nasyonal

This section contains a list of nationally contracted walk-in clinics. Walk-in clinics are a good treatment option when you need care right away and you can't get to your primary care physician. While they are not intended to replace your primary care physician, they are a quick alternative for ailments that are easy to treat. Each clinic is staffed with nurse practitioners and/or physician assistants. There is also a doctor on call when the clinics are open.

These clinics treat ailments such as strep throat, pink eye and seasonal allergies. They may also offer several vaccines – or shots – to guard against illnesses such as influenza, hepatitis, and pneumonia. If the clinic doesn't have the tools or the ability to treat you, the staff will refer you to the appropriate health care provider.

Seksyon sa a gen yon lis klinik san randevou ki gen kontra nasyonal. Klinik san randevou se yon bon opsyon tretman lè ou bezwen swen tousuit epi ou pa ka ale wè doktè swen prensipal ou a. Malgre yo pa gen entansyon ranplase doktè swen prensipal ou a, yo se yon altènatif rapid pou maladi ki fasil pou trete. Chak klinik gen enfimyè pratikan ak/oswa asistan doktè. Genyen yon doktè ki disponib tou lè klinik yo ouvè.

Klinik sa yo trete maladi tankou malgòj streptokokik, konjesyon serebral ak alèji sezonye. Yo ka ofri tou plizyè vaksen – oubyen piki – pou pwoteje kont maladi tankou grip, epatit ak nemoni. Si klinik la pa gen zouti oswa kapasite pou trete w, pèsonèl la ap voye w bay founisè swen sante ki apwopriye a.

Pharmacies

This section provides a list of our network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage (EOC) and Aetna Medicare formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under the plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will cover prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 02/18/2026. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to you through our network mail order delivery program which is called CVS Caremark® Mail Service Pharmacy. For more information, please contact us or see the mail order section of this directory.

This directory is for a geographic area including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, contact us at the number on your ID card or visit **[AetnaMedicare.com/findpharmacy](https://www.aetna.com/medicare/findpharmacy)**.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

Famasi

Seksyon sa a bay yon lis famasi ki nan rezo nou an. Pou jwenn yon deskripsyon konplè sou pwoteksyon medikaman sou preskripsyon ou an, ki gen ladan l kijan pou w ranpli preskripsyon w yo, tanpri revize Prèw Pwoteksyon an (EOC) ak lis medikaman Aetna Medicare la.

Nou rele famasi ki sou lis sa a "famasi rezo" nou an paske nou te fè aranjman avèk yo pou bay moun ki enskri nan plan an medikaman sou preskripsyon. Nan pifò ka yo, preskripsyon ou yo kouvri anba plan an sèlman si ou ranpli yo nan yon famasi rezo a oswa atravè sèvis famasi pa lapòs nou an. Yon fwa ou ale nan yon famasi, ou pa oblije kontinye ale nan menm famasi a pou w pran preskripsyon w lan, men ou ka chanje pou nenpòt lòt famasi nan rezo nou an. Nou pral kouvri preskripsyon ki ranpli nan famasi ki pa nan rezo a nan sèten sikonstans, jan sa endike nan Sètifika Pwoteksyon ou an.

Se pa tout famasi nan rezo a ki nesèsman nan lis anyè sa a. Yo te ka ajoute oswa retire famasi nan lis la apre yo te fin enprime anyè sa a. Sa vle di famasi ki nan lis la ka pa nan rezo nou an ankò, oubyen ka gen nouvo famasi nan rezo nou an ki pa nan lis la. Lis sa a ajou depi 02/18/2026. Pou lis ki pi ajou a, tanpri kontakte nou. Enfòmasyon kontak nou yo parèt sou paj kouvèti devan ak dèyè.

Ou ka fè yo voye medikaman sou preskripsyon ba ou atravè pwogram livrezon pa lapòs rezo nou an ki rele CVS Caremark[®] Mail Service Pharmacy. Pou plis enfòmasyon, tanpri kontakte nou oswa gade seksyon kòmand pa lapòs nan anyè sa a.

Anyè sa a se pou yon zòn jewografik ki gen ladan l zòn kote w ap viv la. Sepandan, nou kouvri yon zòn sèvis ki pi laj, epi gen lòt famasi kote yo ka ranpli preskripsyon w yo anba plan nou an. Pou enfòmasyon sou lòt famasi nan rezo nou an ki pa nan lis nan anyè sa a, kontakte nou nan nimewo ki sou kat idantite w la oswa vizite

[AetnaMedicare.com/findpharmacy](https://www.aetna.com/findpharmacy).

Si ou gen kesyon sou nenpòt nan sa ki anwo yo, tanpri gade premye ak dènye paj kouvèti anyè sa a pou enfòmasyon sou kijan pou kontakte nou.

Mail order pharmacy

You can get prescription drugs shipped to you through our network mail order delivery program, which is called CVS Caremark® Mail Service Pharmacy.

If you've used mail order services with your current plan before, we will automatically send you new prescriptions received from your prescribers. If you don't want us to automatically fill and ship new prescriptions from your doctor, call us and let us know. We won't automatically send new prescriptions from your doctor if you've never used mail-order with us or if you opt-out of the automatic fill option for new prescriptions. If you're not part of the automatic fill option, we can't ship your medication until you confirm you want us to mail it.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the refill program, please contact us 15 calendar days before you think the drugs you have on hand will run out. To opt out of the refill program, please contact us at **1-833-620-8808 (TTY: 711)**.

For mail-order, you can get prescription drugs shipped to your home through the network mail-order delivery program. Typically, you should expect to receive your prescription drugs within 10 business days from the time that the mail order pharmacy receives confirmation from you that you want the medication. If you do not receive your prescription drug(s) within this time, please contact us at **1-833-620-8808 (TTY: 711)** or visit **[AetnaMedicare.com/rxdelivery](https://www.aetna.com/rxdelivery)**.
