

Special care for special people – Institutes of Excellence™ Pediatric Congenital Heart Surgery Facilities

When you need special care for your child, we can help. We select hospitals that meet enhanced quality review criteria to be part of our Institutes of Excellence Network for Pediatric Congenital Heart Surgery Services.

The facilities listed have premier programs. But if you prefer, you can use any of our participating providers. You'll still get the preferred level of benefits. Refer to your plan documents for details.

You need to have these services preauthorized – or preapproved – before we'll cover them.

We list the facilities in this section of the directory by state.
