

# Our new provider portal

We can't wait for you to see it.

## We're moving our provider portal to Availity!

### **Effective May 1, 2020, Availity will become our provider portal.**

Starting in February we'll be reaching out to you by email and by letter, to let you know how these changes will affect you. Our communications will provide you with all the information you'll need along with many training opportunities. You'll also be hearing directly from Availity. We're working together to simplify business processes and improve your online experience, so you can access the information you need most.

**Stay tuned!**

[aetna.com](https://www.aetna.com)

**Aetna is the brand name used for products and services provided by one or more of the Aetna group of subsidiary companies, including Aetna Life Insurance Company and its affiliates (Aetna).**
