

Better health — less cost

For Advanced Control Plan members

2020 Drug list for the Aetna Healthy Actions
and Rx Savings Drug Class program

Making it easy to manage your health and wallet

If you have a chronic health condition, it's important to take your medicine just how your doctor tells you. Doing so can help you reach your best health.

The Aetna Healthy Actions Rx Savings program (Drug Class) can help. With this program, your employer pays part of the cost for certain prescription medicine. So you can pay less.

This program applies to certain drugs that treat these conditions:

- Asthma
- Diabetes
- Hyperlipidemia
- Hypertension and heart disease

Depending on your pharmacy benefits plan design, you may get a discount for one or more eligible drugs. Eligible drugs are outlined below.

Please remember that this is not a complete list of medications covered under your plan. Products may be subject to plan-specific copayment or coinsurance, additional charges or other restrictions. Certain drugs such as those for infertility, erectile dysfunction, weight loss, smoking cessation or vitamins may not be covered by your particular pharmacy plan. Diabetic supplies may be covered under your medical plan.

To check coverage and copay information for a specific drug, please visit the website that's on your member ID card and log in to your secure member website. If you don't have access to our website, call the Member Services number on your ID card.

Aetna or its affiliate(s) may receive rebates from drug manufacturers. Rebates may reduce the amount a member pays the pharmacy for covered prescriptions.

Information is believed to be accurate as of the production date; however, it is subject to change.
