**2022 Health Care Reform Preventive Drug List**

Under the Affordable Care Act, also known as health care reform, you can get some drugs at no member cost share. But you must have a prescription. Then they are covered 100 percent by your plan. The list below shows some items that are available. The list even includes some medicine you can get over-the-counter.

Some drugs not listed are eligible for zero dollar copay only with a medical exception.

## 2022 Health Care Reform Drug List Effective May 1, 2022
